

Band Scholarship for the Moravian Music Festival

Bethlehem, Pennsylvania

July 26 – 30, 2022

This fund will support the registration fee (\$250.00 each) for two band participants for the 2022 Moravian Music Festival to be held in Bethlehem, Pennsylvania, on July 26 – 30. This scholarship will be used to support the registration fee of band participants who have never attended another Moravian Music Festival, regardless of age, playing level or state of residency.

Band participants will learn new music as well as have an opportunity to play Moravian music under the direction of Allen Frank. Musicians from around the country of all levels (beginner to professional) are invited to participate! Exciting opportunities include: learning new music, playing in smaller ensembles, playing in the festival concert, meeting new band friends, and honing playing skills!
